

**Boroughmuir High School**  
**In School Fundraising Policy**

**- updated Sep 2013-**

Boroughmuir, as any similarly sized school, can be a rich source of fund raising for any individuals or groups who are given the opportunity to fundraise.

In Boroughmuir we are limiting fundraising within the school to be only for:-

- School based Clubs i.e hockey club etc
- School based events i.e dept charity events such as McMillan coffee morning
- Whole School events i.e Children in Need/ School sponsored walk

We are unable to support fundraising for individuals or for non school affiliated clubs/ events.

- Clubs/ departments / school groups should make application in writing to the Headteacher on the appropriate form.
- As a school we will limit fundraising activities to once a month.
- Groups would normally only be allowed to raise funds once in the school year.
- There will be no more than one bake sale in the atrium per month.

All funds raised through whole school events such as bake sales, sponsored events etc, must be processed through the school bursar.
