Under 12 League

This is a newish Warwickshire based League now in its fourth season. It is a very popular evening event with all athletes competing in 4 events. We compete in the M6 League against Coventry and Nuneaton.

Background

The Under 11 League was founded in 2008 to provide fast paced competition for all younger athletes. Athletes can compete from aged 8 - Year 3, 4, 5 and 6.

Competition –

Competition is to the Quadkids format - a team based multi-event competition where each child does four events (sprint, run, long jump and a howler throw). Scores are awarded for every event based on achievement.

Competition design is primarily targeted at young athletes from the age of 8.

It is specifically designed to be inclusive, competitive, quick, fun and simple to run.

There are three rounds of competition with all three teams competing in all matches

Medals are awarded to top scorers in each year group at the end of the season and a trophy to the highest scoring club.

Selection - This league is open to all club members – no selection

Transport & Times - Matches are from 6-8pm. Own transport is necessary, although lifts can be available.

Help - We are expected to provide helpers to run our home match in July.
