

Rugby & Northampton Athletics Club: General Committee Meeting

Date: 5th February 2018, Creaton, 7.30pm

Present: Mark Exley, Dave Burge, Paul Cooper, Karen Rushton, Adrian White, Joe Horsley, Terry Akiens, and Janet Wright.

Apologies from: Angie Sumnall, Amanda Gurney and Steve Reynolds.

1. Matters arising from meeting of previous meetings

- 1.1 Club kit: noted the supplier has still not yet visited Rugby on a track night.
- 1.2 Timekeepers course – JW still to arrange.
- 1.3 Track and Field. An updated policy document had been completed by ME following comments on the previous draft. Further comments were made. Agreed to remove BAL and UKWAL payments wording

2. Facilities

2.1 Northampton

Shot put sector being sorted out otherwise nothing to report.

2.2 Rugby

The track funding didn't get to the last RBC Cabinet Meeting and now awaiting the next meeting.

Still an urgent need to clean the track before competition starts. Shed to be built (if funded by RBC.

Cost of revamping long jump runways and pits is £70k, option still to either rebuild existing ones or construct new single runway.

Plan for what to do is still in place – asset transfer seems the only way forward with either Rugby School or a Trust/Company to run the track.

Agreed that preferred option is for Rugby School to take over the track.

4. Finance

4.1 Updated 2018 Budget

The present budget shows a loss of £23k which the club cannot allow to occur. The budget was reviewed in detail with examination where costs rise compared to 2017. Much was a result of the need to fund improvements to Rugby Track and the need to pay substantially more to ensure that there is cash to ensure that the track did not decline in the future.
